ID 330	3	General Elective	3
Required Electives	3	Required Electives	3
General Elective	0-3	DSGN 420	1
<b>TOTAL</b>	12-15	<b>TOTAL</b>	13

Students pursuing this pathway must have an overall GPA of 2.5 to be directly admitted to the program upon transferring to West Virginia University.

\* Students enrolled in the Design Studies program are required to complete an approved minor prior to graduation. This pathway establishes a specialized minor based on the required courses within their specialization at Pierpont.

\*\*Students enrolled in the Design Studies program are also required to complete 6-9 credit hours of a Professional Field Experience (DGSN 491) course during the summer before their senior year. Depending on the number of hours taken for this course, students may need additional elective hours to complete the minimum 120 hours needed for graduation.

Any student who has earned a grade of "D" or lower in any of the DSGN, DSM or ID courses will be notified of the problem and will be expected to repeat the course and earn a grade of C- or above prior to graduation.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University and Pierpont Community College and Technical School, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
