Dear Amy:

The Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) affirms the compliance with the 2018 CAHIIM Standards for the **Associate Degree Program at Pierpont Community and Technical College**. The program is in **good standing** based on the documentation provided to prove compliance with the 2018 CAHIIM Standards: Standard 9: Program Director Responsibilities, Standard 10: Faculty, Standard 11: Faculty Qualifications, Standard 18: Curriculum, Standard 20: Course Sequence, Standard 19: Syllabi, and Standard 23: Professional Practice Experience.

The program will undergo comprehensive review during the **2028-2029** accreditation cycle.

Please do not hesitate to reach out to CAHIIM if you require any further clarification on the status of your accreditation.

Sincerely,

Angela Kennedy, EdD, MBA, RHIA
Chief Executive Officer, CAHIIM
