Dear Ms. Hamilton:

This letter is to advise you of the action of the Accreditation Council for Education in Nutrition and Dietetics (ACEND®) Board at its January 24-26, 2024 meeting regarding the proposed substantive program change to offer distance education submitted by the Dietetic Technician Program at Pierpont Community and Technical College. The program has been approved to offer the whole program via distance education in coursework and supervised practice.

To access information about your current accreditation status, upcoming report due date, term end date and next site visit, please sign into the [ACEND Portal](#). Programs are required to notify ACEND of any substantive changes to the program that have the potential for affecting the accreditation status of the program. Guidelines for requesting substantive changes are posted on the ACEND website here: [Substantive Program Change Guidelines](#)

Thank you for your continued support of nutrition and dietetics education. If you have any questions, please contact ACEND at 800-877-1600 ext. 5400 or ACEND@eatright.org.

Sincerely,

Long Wang, MD, PhD, RDN, FAND, Chair
Accreditation Council for Education in Nutrition and Dietetics
