Pierpont Community and Technical College, in alignment with the United States Department of Education Regulation 34 CFR 668.43 (a) (5) (v)), is required to disclose a list of states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

Programs of study at Pierpont Community and Technical College that result in a professional licensure or certification in this category include:

- Emergency Medical Services
- Health Information Technology
- Licensed Practical Nursing
- Medical Laboratory Technology
- Physical Therapist Assistant
- Respiratory Care
- Veterinary Technology

Disclosures indicate whether the program meets such requirements in the state where the student is located, does not meet requirements in that state, or that no determination has been made. The chart below includes a determination for each program by state. Meeting curriculum criteria for state educational requirements does not include transferring a professional licensure or certification between states or jurisdictions. Additional requirements to transfer a certification or licensure may apply.

For details regarding initial licensure within a state or transferring professional licensure or certification, visit the association websites listed below for additional information.

- Committee on Accreditation for the EMS Professional (CoAEMSP)
- Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM)
- West Virginia Board of Examiners for Licensed Practical Nurses (WVBELPA)
- National Accrediting Agency for Clinical Laboratory Sciences (NAACLS)
- Commission on Accreditation in Physical Therapy Education (CAPTE)
- Commission on the Accreditation of Respiratory Care (CoARC)
- American Veterinary Medical Association-Committee on Veterinary Technician Education and Activities (AVMA-CVTEA)

Table 1: Does the curriculum meet the states' educational requirements for professional licensure/certification?

STATE	Emergency Medical Services	Health Information Technology	Licensed Practical Nursing	Medical Laboratory Technology	Physical Therapist Assistant	Respiratory Care	Veterinary Technology
