Students who are part of this agreement will be admitted to the Criminology program upon transferring to West Virginia University, so long as they have a C or better in SCY 1110 (WVU SOC 101).

Students must complete STAT 211 before they can enroll in SOC 301 or SOC 311. Students need to complete MTH 1212 (MATH 126) to enroll in STAT 211 during their first semester at WVU.

Students completing degrees from the WVU Eberly College of Arts and Sciences are encouraged to work with their advisors to integrate completion of an academic minor or minors into their programs of study. WVU offers over 100 minors that complement major fields of study, build on students' unique interests, expand perspectives, and broaden skills. See <http://catalog.wvu.edu/undergraduate/minors/#minorsofferedtext> for a list of available minors. Pierpont Community and Technical College students may begin completion of certain minors at PCTC by utilizing elective hours to take courses equivalent to the minor's introductory requirements at WVU.

Unlike the other articulated plan of study to the WVU Criminology major, which are Associate of Arts degrees, this is an Associate of Applied Science. AAS degrees do not satisfy the General Education Foundation requirements at WVU as AA or AS degrees do. Therefore, as indicated in the final two years curriculum, students should work with their advisor to ensure the completion of this requirement.

Students transferring to West Virginia University with an Associate of Arts or Associate of Science degree will have satisfied the General Education Foundation requirements at WVU.

Students who have questions regarding this articulation agreement or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

The above transfer articulation of credit between West Virginia University – Potomac State College and Pierpont Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
