For this agreement, SOWK 2TC (via HUMN 2200) will satisfy the Minority Content requirement of the BSW curriculum.

\*Students are encouraged to coordinate with an WVU academic advisor regarding the opportunity to complete degree requirements from the final two years in dual enrollment while at Pierpont.

Students must have completed INTR 2200 (SOWK 147) and SCY 2295 (SOWK 151) with a C or higher and have a 2.5 GPA or higher (or lower considered on a case-by-case basis). Students are required to complete 100-hours of service hours prior to completing the application. By completing HUMN 2200, students should fulfill this service requirement and just need to submit proof on their application. Students who are planning to take HUMN 2200 in Year Two 2<sup>nd</sup> semester should indicate this in their application essay (in the "Additional Information" section) and will be considered for provisional acceptance to the professional program with full acceptance pending successful completion of the course.

Students who have questions regarding this articulation agreement, or the transferability of coursework may contact the WVU Office of the University Registrar. All other questions should be directed to the WVU Office of Admissions.

Transfer students, including 2+2 students, who wish to enter the social work major must contact WVU's Office of Admissions and the B.S.W. Program Coordinator no later than the semester before you intend to matriculate to WVU. For entry to the B.S.W. program, students must meet all requirements that apply to major status. Students, who plan to matriculate to WVU in the fall semester at the professional social work major level should contact WVU's Office of Admissions the prior December and complete the application to the B.S.W. program for admission at the professional social work major level in January.

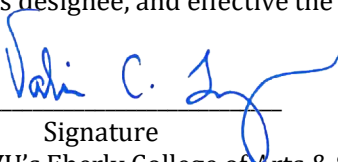

Upper-division social work courses taken at other institutions do not automatically transfer to WVU and meet the program's requirements. To gain approval for these courses students must have earned a B or higher in the course(s) and must submit course syllabi and other appropriate course materials to Dr. Megan Gandy the B.S.W. program director. Courses that are not approved count as electives. The lower-division social work courses taught on 2+2 campuses have received approval via the formal agreement with the program.

The above transfer articulation of credit between West Virginia University and Pierpont Community and Technical College, is approved by the Dean, or the Dean's designee, and effective the date of the signature.
